

Saving Family Headstones @ Karrakatta

Karrakatta Cemetery Redevelopment Notice

Karrakatta's **Anglican FA, Anglican IA** and **General AA** sections are planned to undergo redevelopment (also known as "Cemetery Renewal") commencing in **November 2026**.

"Cemetery Renewal" is NOT beautification. It is the mass removal of headstones, grave surrounds and plot numbers to make way for new graves. Virtually all new graves at Karrakatta are dug between existing burials.

As of September 2026, **48 sections** have already been redeveloped, with at least **29 sections** planned for future redevelopment. More than **15,000 people** have already had their headstones removed and now lie in unmarked graves as a result — including Western Australia's many pioneers, veterans and historical figures.

The Metropolitan Cemeteries Board (MCB) is accepting written submissions to retain graves in the **Anglican FA, Anglican IA and General AA sections** until **4:30pm on Monday, 26 October 2026**. We encourage everyone with family members buried in these sections to contact the MCB as soon as possible.

Below is a list of known burials in the **Anglican FA, Anglican IA and General AA sections**. Graves highlighted in **green** have been retained and are NOT affected, as confirmed by the MCB on 14 September 2026. Note that this list does NOT include graves in other parts of the cemetery — even if your loved ones aren't listed, we still highly encourage you to email the MCB at mcb@mcb.wa.gov.au to confirm their statuses and to lodge your contact details. Even if your family's grave has been retained, please get in contact.
